## MAKING BEER

**Bring your home brew to the  
meeting.**

**Last month we had beers from**

**Keith St. Pierre, Ryan Casteix,**  
**Dennis Finigan, Kevin Shipp,**  
**Peter Caddoo** and a couple of  
others whose names were not

recorded. This was a great exercise in  
sharing something we all enjoy. I hope  
this becomes a continuing highlight of  
our meetings.

In the future, when you bring your  
creation to the meeting, please give to  
Greg or Monk a slip of paper with your  
name and the style(s) you bring. We  
would like this to be published  
monthly. Also include any particulars  
you want mentioned.

## SUMMER MONTHS

**Typically there is a slow down of brewing activity among members this time of the year. The weather is hot and unbearably humid and people would rather go to the beach or their favorite watering hole and drink in air conditioned comfort. Therefore there are no club brewoffs scheduled.**

### NEWS FLASH!!!

**Your body is creating and killing 15 million red blood cells per second.**

\*\*\*\*\*

## CCH Beer School

**Beginning July 16, 2011**

### Purpose

To increase the knowledge of beer and all-grain brewing; to increase the skill in evaluating and judging beer; to indulge in appreciating 100+ beers\*\*\*; and to prepare for the Beer Judge Certification Program examination.

### Instructor

**Carol Rice** of Crescent City Homebrewers, Recognized Beer Judge, BJCP. I have been brewing with my husband Richard since 2000. We first took this class in 1999, and thought it was only right that if we were going to judge beer, we should attempt to brew some. Richard is the gizmo part of the team. I am recipe. I started helping Warren Chigoy with the classes in 2007. Last year I took over when Warren was unable to complete the schedule. I may be

contacted at: 10105 Tiffany Drive, River Ridge, LA 70123, 504-737-4309, dogearbrewing@hotmail.com

### Place

The classes will be held on the third Saturday of every month from 9:00 am to 12:00 noon at the

Deutsches (halbemWege)\* Haus  
(Former American Legion Post 350)  
1023 Ridgewood Street  
Metairie, Louisiana

\*(halfway)

### Cost

\$100.00 due on or before July 16, 2011, the first class, for members in good standing. This cost will defray the expense of the handouts, materials and beer used for the classes. Because Crescent City Homebrewers subsidizes the class, non-members will be charged an additional \$30.00 for membership in CCH. Classes are open to guests at any time for a charge of \$15 per class. (Please make checks payable to Carol L. Rice CCH Beer School)

### Contents

The twelve classes will loosely follow the BJCP Exam Study Guide. Each class will include:

- a technical lecture, a discussion, and descriptions and histories of styles;
- tasting of teas from ingredients or comparative materials if appropriate to the lecture
- tasting samples (24 total throughout the course) from the Seibel Institute of Technology Sensory Training Kit;
- and tastings of eight or nine beers (usually) of similar styles, histories, and characteristics.

Lectures will cover ingredients, brewing processes, beer flavors, troubleshooting, recipe creation, etc. The beers will be

compared and contrasted, then evaluated according to style.

## BJCP Examination

If, by Christmas, there is a sufficient number of students interested in taking the exam, one will be scheduled for sometime in the fall of 2012.

## Study Group Sessions

Additional classes, if desired, may be held in preparation for the exam at a cost of \$15 per person per class.

## Student Responsibilities

- To drink responsibly. For the responsible drinker, there is always another party.
- To print out and bring to all classes: The *2008 BJCP Style Guidelines*, found at [www.bjcp.org](http://www.bjcp.org)
- To print out and bring to the Hops class: The *Hop Union Variety Data Book*, found at [www.hopunion.com/hopunion-variety-databook.pdf](http://www.hopunion.com/hopunion-variety-databook.pdf).
